

PRIVACY POLICY of SALVAGNO GIOVANNI SRL

Hereby, in consideration of the fact that, following the consultation of the website www.oliosalvagno.com (hereinafter the "Site"), data classified as "personal" by EU Regulation no. 2016/679 (or "General Data Protection Regulation" – "GDPR") may be processed, i.e. relating to identified or identifiable natural persons, the Company SALVAGNO GIOVANNI SRL, with registered office in Contrada Gazzego no. 1, 37142 Nesente Valpantena (Verona), as manager of the Site and Data Controller of personal data - contact information info@oliosalvagno.it - intends to inform users-visitors, also pursuant to art. 13 of the aforementioned Regulation, of the Policy adopted in the field of Personal Data Protection, underlining its commitment and attention with reference to the protection of the privacy of the interested parties.

SALVAGNO GIOVANNI SRL (hereinafter also "Data Controller", or "Company") is committed to protecting the privacy of users. In particular, the Data Controller protects the personal data processed, through adequate security procedures aimed at minimizing the risks of:

- improper use or disclosure of data;
- unauthorized modification of data;
- accidental loss or destruction of data, or caused by an unlawful act;
- unauthorized access to data.

Browsing the Site is free and does not require any registration, with the exception of the "Visits/Contacts" areas, where the user can freely and expressly provide a series of data concerning him/her to contact us or send requests, and "Shop online", where the user can purchase company products after creating a personal account and acquiring authentication credentials. Where the visitor intends to provide his/her personal data, he/she will be expressly informed pursuant to art. 13 of the GDPR with indication (by way of example) of the purposes and methods of use of the data by SALVAGNO GIOVANNI SRL, as well as the right to request at any time the deletion of the data or the updating of the same.

In cases where it is required by current legislation, the user-visitor will also be asked for his prior consent to the processing of personal data.

This "Privacy and Cookie Policy" provides general information about the mechanisms of collection and processing of data adopted by the Site, with reference to the processing of both the data of users who consult it and the data that may be sent spontaneously by them.

1. DATA PROCESSED

When the visitor accesses this Website, he accepts that SALVAGNO GIOVANNI SRL collects some of his personal data. This page is intended to inform him about what data we collect, why and how we use it.

The Company, through the Site, acquires and processes personal data, which can be provided directly by the user, or collected automatically.

Data provided voluntarily by the user

This case occurs when the user requests information and/or contact with SALVAGNO GIOVANNI SRL, for the satisfaction of which it is essential for the Data Controller to acquire some data pertaining to the user. In particular, this concerns "common" personal data, such as surname and name and e-mail address of "private" natural persons, company contacts or other operators.

Specific information is also reported or displayed in the sections of the Site set up for particular services on request (for example, the information request form).

Browsing data

As for data collected automatically, this occurs contextually and through the use of the services by users. The computer systems and software procedures used to operate this Website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This is "browsing data", information that is not collected to be associated with identified interested parties, but which by its very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes, for example, IP addresses or domain names of PCs or other tools used by users who connect to the Site, URI ("Uniform Resource Identifier") addresses of the requested resources and other parameters relating to the operating system and the user's IT environment.

This data is used for the sole purpose of obtaining anonymous statistical information on the use of the Site and to check its correct functioning and is deleted immediately after processing.

Cookies

Other data is collected using "cookies" or similar technologies.

The Site only uses "technical" cookies, better specified below, defined as those used for the sole purpose of "carrying out the transmission of a communication on an electronic communications network, or to the extent strictly necessary for the provider of an information society service explicitly requested by the subscriber or user to provide such service" (art. 122 paragraph 1 of the Privacy Code).

Specifically, navigation or session cookies are used, aimed at ensuring normal navigation and use of the Website, and therefore aimed at making the same navigation within the Site functional and optimizing.

Furthermore, there are "analytics" cookies, used and created exclusively by the sole manager of the Site, to collect information, in aggregate and anonymous form, on the number of users and on how users visit the Site.

Cookies are not used to transmit information of a personal nature, nor are so-called "analytics" cookies used. "persistent" cookies of any kind, or systems for tracking users.

For more complete information on this matter, please refer to the "Cookie Policy" section.

2. PURPOSE OF THE PROCESSING, LEGAL BASIS AND SCOPE OF COMMUNICATION OF DATA

Apart from what is specified for navigation data and "technical" cookies, the user is free to provide his/her personal data through the use of specific forms on the Site to request information material and, more generally, for the purposes indicated in the relevant and specific information.

The processing, by SALVAGNO GIOVANNI SRL, of the personal data received, in any case of a "common" type, may be aimed, depending on the case, at sending the information requested by the user, or at managing it in relation to any subsequent relationships with the Company.

The legal bases for such processing may be based, respectively, on the need to fulfill the user's request (art. 6, paragraph 1, letter b of the GDPR), or even in the execution of legal obligations related to the contractual relationship possibly established between the Company and the user (art. 6, paragraph 1, letter c of the GDPR).

The Company does not collect or obtain personal data or information obtained from the Site for the purpose of disclosure or sale to external parties for marketing purposes, nor does it send emails on behalf of third parties.

The personal data acquired are processed by personnel "appointed-authorized" by SALVAGNO GIOVANNI SRL and are not communicated to third parties, unless this is absolutely necessary for the performance, even partial, of activities related to your request.

In any case, all third parties involved in the processing, for which the Data Controller evaluates, from time to time, the conditions for the possible designation as "Data Processor", must in any case guarantee and assume responsibility for the security of the personal data pertaining to the user, in compliance with the rules dictated by the GDPR.

Personal data are not communicated to subjects resident in non-EU countries.

3. OPTIONAL PROVISION OF DATA AND CONSENT TO PROCESSING

The provision of the user's personal data on the Site is not mandatory under any law, but it is essential for SALVAGNO GIOVANNI SRL to satisfy the user's requests.

Any refusal by the user to communicate their data, or to authorize the related processing, therefore has no consequence, other than the impossibility of sending the information or carrying out the requested activities.

4. METHODS AND DURATION OF DATA PROCESSING

The user's personal data are processed by SALVAGNO GIOVANNI SRL, Data Controller, mainly with IT tools, to fulfill the obligations and purposes indicated above, but also in paper form.

The personal data collected through the use of the Site are stored and processed through the Company's automated information system, in application of adequate security measures, as required by art. 32 of the GDPR, adopted with the aim of minimizing the risks of destruction, loss, unauthorized access or processing that does not comply with the purposes of collection.

The data provided by the user for the request for information and/or first contact will be retained for up to 30 days following satisfaction of the request itself. In the event that a continuous contractual/professional relationship is established with the user, or a specific service is requested from the Company, the personal data will be retained for the time necessary to perform the reciprocal services and, subsequently, within the fiscal and civil limitation periods, dictated by the current fiscal legislation and the Civil Code, relating to the documents and deeds of the entrepreneur.

In the latter case, the Company will in any case provide suitable and specific information on the processing of personal data and on the duration of their retention, requesting, if necessary, prior written consent.

5. LINKS TO THIRD PARTY SITES

The information provided with this "Privacy Policy" does not refer to other sites, products or services not provided directly by SALVAGNO GIOVANNI SRL, online and offline, nor to other websites that may be consulted by the user through links and/or activities carried out by third parties.

The Company cannot be held responsible for personal data provided by users to third parties or to any websites linked to this Site.

6. RIGHTS OF INTERESTED PARTIES

At any time, the user can exercise all rights, towards the Data Controller, provided for by Chapter III of the GDPR and, in particular:

- obtain from the Data Controller information about the existence of their personal data, their origin, the purposes and methods of processing and, if present, to obtain access to the personal data and the information referred to in Article 15 of the GDPR;
- request the updating, rectification, integration, cancellation, limitation or blocking of data processing, under the conditions dictated by the GDPR, as well as transformation into anonymous form; the deletion of data is carried out within the expected technical times and in compliance with the retention periods specified above; lodge a complaint with the Authority for the protection of personal data in Italy, in the event of failure to respond by the Data Controller.

In order to exercise these rights, you are required to send a specific request via the e-mail address info@oliosalvagno.it.
